

**Like I Should**  
**By Andrew Sullivan - 2010**

Is it hard to love me?  
Will you please tell me the truth?  
Are you thinking of me  
In spite of all the things my callous heart makes me do?

**CHORUS**

**Cause I need you there through the good times and bad**  
**And I fear there'll be times that I'll make you mad**  
**And as much as I appreciate the times when they're good**  
**I need you to promise me that you'll be there**  
**When I don't love you like I should**

Are you thinking of me  
When I'm thinking about you?  
When times are ugly  
And I fear that I have nothing I can give to you

**BRIDGE**

*Oh baby what do you see?*  
*There's just nothing good inside of me*  
*Oh baby what do you see?*  
*There's just nothing good inside of me*  
*Oh baby what do you see?*  
*There's just nothing good inside of me*  
*Yeah, yeah,... yeah..        yeah*
