

Lost Again

Written by Andrew Sullivan, May 14, 2014

C F C
I was lost, I was lost when you found me
F G C
I was lost, I was lost when you took me in
F G Am
Hopeless were my chances and now, I can see
F G C
that I was lost, but I won't be lost again

Am G C
Here in the history of my heart
Am G C
There are some stories, there are some sickening parts
Am G C
who I was is not who I'd like to be
Am G C
I can't wait to see just who I might grow up to be

Dm G Dm G
And as much as I'd like to lie, and tell you that I was doing fine

To CHORUS

I met a woman whose beauty is insane
but to tell you the truth I know that her looks may someday change

she saw through the darkness in my heart
like grace from the heavens
she covered all the earthly parts

As much as I tried to hide, And tell her that I am really alright
