

When I Found You
By Andrew Sullivan
07/24/2014

Em G D
They say that falling in love is easy
Em G D
a simple game no one could lose
C G D G
I've tried to play it through more than just a time or two
C G D (*continue pattern in all verses*)
I tried and tried to no avail

I thought I'd given it my best shot
but my strongest efforts wouldn't do
everything I knew of love only seemed to have the makings of
another broken love song to break into

CHORUS

 C G D
But when I found you
 C G D
All of my heart knew it was home
 C G D
When I found you
 C G D
I knew I was right where I belonged

so what's the use in making excuses
I'm no longer the man I used to be
it took me more than once to learn that love is more than just a word
then my lonely days were cast to sea
