Written by Andrew Sullivan in 2014.

CHORUS

G
I think you're the best
Bm
Baby you're the one for me
C
There ain't nothing else I need
D7
no it ain't hard to see
G
that I think you're the best

Em **G**
In this world gone crazy
C **G**
I feel as empty as a drum
Em **G**
When my troubles surround me
D7
You're my vision of kingdom come

Em **G**
when I can't seem to break free
C **G**
and there's thunderclouds on every side
D **Em**
D
your love quiets my soul when I'm losing
control
C **D7**
you bring me peace when I try to fight

To CHORUS

(same chord progression as before)

though the seasons are changing
and the wind is blowing through the night
though the darkness may blind me
you're the earliest sign of light

when I can't find a shelter
and all I'm needing is a helping hand
you go far and above when you cover me in
love
you get me feeling pretty good again

Bridge

D **D# Em**
*my mind races in the dead of night, I can't
seem to find no peace*
C **D7**
*I know I'll find you close to me, your love is
really all I need*
