(6/8 time)
G D C
It's late in this worn out hotel room
Em D C
On the east side of I-65
G D
The dust on the tv ain't
C
Seen a soul in several weeks and I
Em D C (pattern continues for all verses)
Got what I paid for tonight
Got what i paid for tonight
Called your phone but nobody answered
And I ain't got a single friend around
Nothing else here left to do but
sit around and think of you and
Wonder what you're doing right now
What you're doing fight how
G D C
It's a long night without you
G D C
It's a long night on my own
G D Em C
It's a long night, It's a long, long night
lt's a long night, It's a long, long night G D G (C G)
G D G (C G) It's a long night alone
G D G (C G) It's a long night alone  Tried to get lost in a movie, but they all wrap it up the same way
G D G (C G) It's a long night alone  Tried to get lost in a movie, but they all wrap it up the same way When they come to end it's all perfect again
G D G (C G) It's a long night alone  Tried to get lost in a movie, but they all wrap it up the same way
G D G (C G) It's a long night alone  Tried to get lost in a movie, but they all wrap it up the same way When they come to end it's all perfect again But tonight I just cannot relate
G D G (C G) It's a long night alone  Tried to get lost in a movie, but they all wrap it up the same way When they come to end it's all perfect again But tonight I just cannot relate  Am C
